

Contents

Introduction	1
Using this Manual	2
1. Getting Started	3
Minimum Hardware and Software Requirements	3
Installation	3
2. Tutorial	5
Setting up the Map	6
Checking the Data	10
The PCA Analysis	22
The Probability Analysis and Mapping	24
The Cluster Analysis	29
Conclusion	37
3. User Reference Section	39
The Map Window	39
The Main Menu Service Icons	45
The Layers Control Window	56
The Principal Components Analysis (PCA) Window	61
The Cluster Window	65
4. Theory	68
The Climate Surfaces	68
Climate Data Standardization (Rotation)	69
The Model Calculations	72
Probability Calculations	74
Divergent Probabilities	78
Cluster Analysis	80
Bibliography	88
Appendix A	90
FloraMap File Types	90
Creating Accession Points Files	91
Index	93
